

# Deckhand Position

## **ABOUT US:**

In the early 1800s, ferries were the only way to get to and around Manhattan. As bridges and tunnels were built, ferry transportation faded. In 1986, Arthur E. Imperatore, Sr. and his family rejuvenated New York Harbor with the launch of the first NY Waterway Ferry. Since then, NY Waterway has carried over 200 million passengers. NY Waterway has the largest ferry and excursion fleet in New York Harbor, but it is still a family business with all the personal attention to service and amenities that it had when it was just "Arthur's Ferry". You are treated like family from the moment you step into our Terminal. Some people say a NY Waterway Ferry Ride or Sightseeing Cruise is the friendliest experience they have had in New York. We say, "Welcome aboard!"

## **OUR FREE BUSES:**

Our colorful buses are New York City landmarks. They follow routes along convenient locations all over Manhattan: 57th St., 49th St., 42nd St., 34th St., plus uptown from the World Trade Center. Our buses stop at all New York City bus stops along these routes. Just wave down our bus (like hailing a cab) and hop on to reach our cruises.
