**NY WATERWAY INCREASES BELFORD, MIDDLETOWN SERVICE FOR SUMMER
ADDITIONAL EARLY RETURNS ON FRIDAYS**

Beginning Friday, May 27, NY Waterway will increase its Belford ferry service on Fridays this summer with additional earlier returns from Manhattan. The additional ferries will leave Midtown at 1PM, Paulus Hook (Jersey City) at 1:10PM, Brookfield Place / Battery Park City at 1:20PM and Pier 11 / Wall Street at 1:30PM, arriving at Belford/Harbor Way in Middletown at 2:10 PM on Fridays. This earlier Friday afternoon service will be active through Labor Day.

The service change will help NY Waterway meet the demands of growing ridership, as well as give South Jersey customers a chance to get home earlier on Fridays throughout the Summer season. This past month, NY Waterway has seen the largest number of riders since the pandemic began.

NEW Belford Service Schedule Change Effective Friday, May 27
