

NY Waterway Joins MTA, Amtrak, NJ Transit, Port Authority and Regional Transit Agencies to Launch April 16 #SoundTheHorn Campaign

Ferries, Trains and Buses Will Give Two Horn Blasts at 3 p.m. on Thursday, April 16, To Honor Transportation Workers Across the Region

NY Waterway, the Metropolitan Transportation Authority (MTA), Amtrak, NJ TRANSIT, the Port Authority of New York and New Jersey and other regional bus and ferry operators today launched a coordinated day of action to simultaneously sound their fleets of ferry, train and bus horns on April 16 to honor heroic transportation workers across the region.

As a tribute to heroes on the front lines of this public health crisis, all ferries, trains and buses running in service will give two one-second horn blasts at 3:00 p.m. in solidarity with partner agencies. Heroic transportation workers continue to provide critical service for healthcare workers, first responders, childcare workers, grocery store employees and other heroes who are performing critically essential work during the Covid-19 pandemic.

The coalition of agencies invites transit agencies across the country to participate in the day of action.

“NY Waterway honors all those who put themselves at risk, medical personnel, first responders, workers in all fields, and the transportation employees, including our ferry crews, who create the links that bind us in these challenging times. We urge everyone to pray for their safety,” said **NY Waterway Founder & President Arthur E. Imperatore**.
